SUBMIT AN #USVSHATE ENTRY WITH NAMES

(Educator: Parent/guardian permission is required for any #USvsHate entry submitted with a student's name on it. You can keep this form for your own records. You will verify that you have this permission when you upload your students' entries.)

Dear parent/guardian,

Your child's class is participating in #USvsHate, a program working to improve schools' social climate. This program (usvshate.org) engages students in creating and sharing pro-inclusion and anti-hate messages.

Your child's anti-hate message was chosen by peers and adults for submission to an #USvsHate national challenge.

This message may be shared publicly, online, to spread anti-hate awareness. Each participant must have parent/guardian consent to share a message with their name on it. Otherwise, the message can be shared anonymously.

Please list your permission for the following:

I am the parent/guardian of _____ (enter child's name).

I give my permission/consent to share their message(s) as follows (choose one):

- a. By first and last name, grade level, city, and state
- b. By first name only, grade level, city, and state
- c. This submission should be shared anonymously, with city and state only
